☺ THANK YOU ☺

We never get tired of all your generosity and truly appreciate all the your help & support!

A big thank you goes out to **Project ♥ Linus** who's mission is to provide love, a sense of security, warmth and comfort to children who are seriously ill, traumatized, or otherwise in need through the gifts of new, handmade blankets and afghans, lovingly created by volunteer "blanketeers". For several years now **Project Linus** has donated blankets to Shady Oaks Camp and with their help we can warmly tuck our campers into bed at night.

We would also like to thank the **Tinley Park Sewing Guild** for making bibs for the campers. Meal time just wouldn't be the same without your help!

Many thanks to **John Basil** at **Big Run Wolf Ranch** in Lockport for letting us come out and spend an afternoon with him and all of the animals at Big Run Wolf Ranch.

A special thanks to **CITGO** for coming out on June 2nd and giving us a hand in maintaining our grounds. We know that keeping up 25 acres is no easy task but you guys made it look like a piece of cake! The flowers you planted throughout camp are beautiful and are growing strong. Unfortunately there is little to no evidence to show for all of the time, sweat & energy you put into cutting the grass, as it all grew back the following week. CITGO thank you again for your kindness and hard work over the past 10 years!

Eileen Howorth of Hope Magazine Online & **Peggy Ralphson** of Sweet Escapes thank you both for the donation of box lunches for the field trip to Big Run Wolf Ranch as well as the donations of bed sheets & laundry detergent. It's the wonderful donations from friends & family like you that keep us going! Eileen has also written a wonderful article about Shady Oaks Camp in her magazine. You can read it at www.hopemagazineonline.com

☞ Director's Corner ☜

Wow I can't believe that we're almost a month into camp already!! Of course it wouldn't be Shady Oaks Camp if we didn't start without a BANG!

As the playground was being completed (the week camp opened) the construction crew accidentally took down the power lines to half of camp. For all our veteran campers & staff, dealing with the unexpected is nothing new at SOC, but for our 1st time campers & staff this was something they weren't quite ready for on their first night of camp.

The field trip to Big Run Wolf Ranch on our 2nd day of camp was a much smoother day. No one was eaten by the black bear or wolf cubs and the campers & staff had a great time.

The first few weeks of camp have been a blast and I will miss all you campers that will not be staying with us throughout the summer.

Hope to see all of you at our open house on the 18th!!
Scott Steele
Executive Director

Corporate Matching Grant Program

Several companies participate in matching grant programs meaning the amount of money raised by the individual or a group of individuals is matched by your corporation.

So don't forget to talk to your company's human resources department to see if they are willing to match a donation that you make to camp. If so then spread the word to your co-workers as quickly as you can... as every penny counts!
