∞ Director's Corner ∞

Hey everyone,

Well camp is upon us! In less than 2 weeks campers will be here and we will be starting our 66th year of camp. ☺ Staff are already starting to arrive so camp is already alive with activity. A quick PSA for everyone. Please remember your paperwork is due now! It is important I receive everything before your campers come to camp. It is used to prep our counselors, nurse and head dorm counselors on each camper. Without it they will not be prepared and we will have to spend orientation week looking at camper info and not training. Also, please remember all monies for this year's camp time is due now. If you are not fully paid up your child will not be able to attend camp. Please, contact Mary Pisano (agnesmpisano@hotmail.com) if you have questions about payment.

Even though camp is in session, it does not mean our fundraising efforts have stopped. We have several fundraisers we will need help with this month and next. Details can be found in this month's newsletter. As usual, we are always looking for new ideas so do not hesitate to pitch your ideas to me, or better yet come to a board meeting, we love visitors! ☺ Well, all it is crunch time for me. Got lots to do in the next couple of days to get ready for staff. See you all real soon!

Good Times,
Scott Steele
Executive Director

☞ Thank You ☜

On May 3rd, **teachers and students** from the **UIC Lab School** came out to help clean the insides of several of the buildings. Despite the rain they also were able to get much need outside work done as well. Thank you guys, rain or shine or shine, you came through!

Grayson Wolcott completed his Eagle Scout project at Shady Oaks Camp on May 26th. Grayson and the scouts from **Troop 237** built a patio onto dorm 9. The guys in this dorm will now be able to enjoy sometime outside their dorm rather than hanging out in front of Ford Hall during break.

On May 29th, **Grant Nordwall**, completed his Eagle Scout project (troop 44) and built 2 new handicapped picnic benches along with a large bat house to help attract and rid us of those mosquito eating machines! With all the beautiful wooded areas we have around camp, we also have a terrible amount of mosquitos so our new bat house will come in very handy this summer.

We would like to thank the **Marian Village House Keeping Team** for coming out to clean the buildings on May 31st. The crew from Marian Village make cut through the grime and dirt look easy and keep coming back for more. Thanks again guys for helping us out another year.

Zach Sowatzke, along with the help of **Troop 63**, completed his Eagle Scout project which included adding some fencing and a small garden across from the laundry building. Because of Zach's project we were finally able to roll away the rotting tree stumps that lined the driveway. Thanks Zach!

A big thank you to **Lincolnway Community Bank of New Lenox** and their **WE C.A.R.E. Program** for their generous donations of art and pool supplies for camp. Another huge thank you to **Bob Stahurski** from **NYCO Products** for his helpful donation of laundry detergent and cleaning supplies. Of course we can't forget a special thank you to all of you who came out and helped with our annual Camp Cleanup Day. We truly appreciate all your help ☺
