### Corporate Matching Grant Program

Several companies participate in matching grant  
programs meaning the amount of money raised by the  
individual or a group of individuals is matched by your  
corporation.

So don't forget to talk to your company's human  
resources department to see if they are willing to match  
a donation that you make to Shady Oaks Camp. If so,  
then spread the word to your co-workers as quickly as  
you can. Every penny counts!
